

Master's Program Director

The University Centre of the Westfjords seeks a capable person for a demanding position: Program Director of the master's in Coastal and Marine Management. Twenty international students are enrolled in this interdisciplinary course of study at the master's level at the University Centre.

This is an exciting position in Ísafjörður, Iceland, in a small and progressive academic environment. The Master's Program Director will have a unique opportunity to take the initiative in developing an outstanding study and work environment for an international group of students. The position demands considerable organizational ability, professional working habits, and a willingness to offer superb service. The Program Director may have teaching responsibilities as well.

Necessary qualifications:

- Education in environmental and resource management (or a related field) preferred
- Master's degree
- Service-mindedness and a willingness to please
- Organizational ability
- Initiative and flexibility
- Good English skills, and preferably Icelandic and Nordic language ability as well

The position is advertised for 10 months due to maternal leave, with a possibility of prolonging. The new Program Director will have to start no later than 01.01.2010.

For further information, contact Peter Weiss, Director of the University Centre of the Westfjords, at +354 450 3045 or weiss@hsvest.is or Sigríður Ólafsdóttir, Program Director +354 896 5874 or sigridur@hsvest.is.

Applications may be sent as an attachment to weiss@hsvest.is, or by regular post: University Centre of the Westfjords, Suðurgata 12, 400 Ísafjörður, Iceland.

Applications will be accepted through 15.09.2009
