### Classes in the morning: Mon-Fri, 09-12

Basics of grammar and vocabulary taught through lectures and exercises. Training in reading and writing skills up to CEFR level **A1/A2**. Please prepare for the course through IcelandicOnline (cf. prerequisites: [http://www.uwestfjords.is/icelandic\\_courses/prerequisites\\_ic/](http://www.uwestfjords.is/icelandic_courses/prerequisites_ic/) ). Students will be divided into four groups and levels according to their success in IcelandicOnline and a short test in the beginning of the course.

### Electives in the afternoon in Núpur boarding School

In the afternoons you will have a wide variety of electives to choose from. Electives are to be booked via the virtual class room MySchool on [www.UWestfjords.is](http://www.UWestfjords.is) before or during the course. There is a maximum number of places for each elective, according to didactical reasons. The electives consist of pronunciation and conversation exercises for small groups, language games, problem-based learning, but here you will also find lectures in easy Icelandic (you will be surprised how much you already understand!). Some of our teachers are professional actors or singers or dance-teachers and you will be surprised, how much language can be learned in one dance lesson.

### Electives in the afternoon in Ísafjörður

Electives in Ísafjörður focus on exercises in the society: You will improve your Icelandic by exercises in a supermarket as well as in the bakeries and the backstreets of Ísafjörður. Electives are not obligatory. Although we want to see you in most of them, you might want to take some time in between for a visit in the cafés of Ísafjörður.

### Choir

You can't sing? That's no problem. This choir won't teach you singing but pronouncing. So, forget about the singing and forget about the language, simply imitate your professional choral director.

### Watch a film with your teacher

Your instructor briefly introduces the film in simple Icelandic and goes through key vocabulary. Films will be in Icelandic (some have English subtitles). After the film there is time for discussion.

### ActAlone theatre festival in Ísafjörður

Annually in August, there is the ActAlone theatre festival in Ísafjörður with exclusively one-man's plays. Find more information on [www.actalone.net](http://www.actalone.net)

### Gísla Saga theatre and visit to the sites of the saga in Haukadal

Haukadalur, where Gísli lived before he was outlawed, is just 60 km driving from Ísafjörður. As Gísla Saga is one of the most famous Icelandic sagas, every child in school knows it and so will you after this course.

During the last week, there will be an introduction to the famous saga in simple Icelandic as well as a filmed version, and a visit to the settings of the saga in Haukadal, where you will have to use your Icelandic. To get you onto the topic, we will watch an acclaimed stage version of Gísla Saga, performed as a one-man production by Elfar Logi Hannesson, the only actor in all the West Fjords. The Gísla Saga programme is included in the course fee.

### Saturdays/Sundays: Free time for own activities

At Núpur Boarding School you are in plain nature. There are few farms around, but plenty of nature. Bird watchers will find the arctic loon breeding some 400 m from the school, and most of the other Icelandic birds on the school yard. You just step out and go for a walk, along the shore or up to the 750m high steep mountains behind the school.

Núpur boarding school will organise horse riding and kayak tours as well as fjord angling for a reasonable fee. Jogging, football, pingpong and other sports are just outside the door. For contemplation, we recommend Núpur church or of course the wide, empty nature.
