Classes in the morning: Mon-Fri, 09-12

Basics of grammar and vocabulary taught through lectures and exercises. Training in reading and writing skills up to CEFR level A1/A2. Please prepare for the course through IcelandicOnline (cf. prerequisites: http://www.uwestfjords.is/icelandic_courses/prerequisites_ic/).

Electives in the afternoon in Ísafjörður

Electives focus on exercises in the society: You will improve your Icelandic by exercises in a supermarket as well as in the bakeries and the backstreets of Ísafjörður.

Electives are taught together with the Erasmus-/Nordplus Exchange students. Thus, we can offer a variety of 4-5 classes at a time. Electives are to be booked via the virtual classroom MySchool on www.UWestfjords.is before or during the course. There is a maximum number of places for each elective, according to didactical reasons. The electives consist of pronunciation and conversation exercises for small groups, language games, problem-based learning, but here you will also find lectures in easy Icelandic (you will be surprised how much you already understand!). Have a look at last year's elective brochure on the web site to get an impression of what could be on offer.

Special courses in the afternoon

In the other afternoons we offer specially designed short classes with a variety of teachers. Some of our teachers are professional actors or singers or dance-teachers and you will be surprised, how much language can be learned in one dance lesson.

Choir

You can't sing? That's no problem. This choir won't teach you singing but pronouncing. So, forget about the singing and forget about the language, simply imitate your professional choral director.

Watch a film with your teacher

Your instructor briefly introduces the film in simple Icelandic and goes through key vocabulary. Films will be in Icelandic (some have English subtitles). After the film there is time for discussion.

ActAlone theatre festival in Suðureyri

Annually in August, there is the ActAlone theatre festival in Suðureyri (25 km from Ísafjörður) with exclusively one-man's plays. Find more information on www.actalone.net. We shall take you out thither on one of the evenings.

Gísla Saga theatre and visit to the sites of the saga in Haukadal

Haukadalur, where Gísli lived before he was outlawed, is just 60 km driving from Ísafjörður. As Gísla Saga is one of the most famous Icelandic sagas, every child in school knows it and so will you after this course.

During the last week, there will be an introduction to the famous saga in simple Icelandic as well as a filmed version, and a visit to the settings of the saga in Haukadal, where you will have to use your Icelandic. To get you onto the topic, we will watch an acclaimed stage version of Gísla Saga, performed as a one-man production by Elfar Logi Hannesson, the only actor in all the West Fjords. The Gísla Saga programme is included in the course fee.

IceBreaker

We start the course with an IceBreaker during the first evening, Monday, 04.08.2014, 20:00, where we introduce you to the programme and you learn to know each other. There will be light refreshments available.

IceCream

In the end of the course you have well-deserved that we make a bow for you. You will receive your certificates – and perhaps an ice cream.

Most of the teaching, as well as the films will take place at the University Centre of the Westfjords. The IceBreaker is on Sunday evening, 20:00, at UWestfjords.

Saturday/Sunday: Free time for own activities

From Ísafjörður, there are daily boat trips to Hornstrandir nature reserve as well as to the island Vigur, "the pearl in the fjord". There are numerous hiking paths and recreational options like kayaking. Why not rent a bike and get you around by your own?

Menningarnótt/Culture Night in Reykjavík

We want to make you aware of the fact that on Saturday afternoon/night, 23.08.2014, there is the traditional Culture Night in Reykjavík, a big event, that you should join if you are in Reykjavík anyway. www.menningarnott.is
