Classes in the morning: Mon-Fri, 09-12

Basics of grammar and vocabulary taught through lectures and exercises. Training in reading and writing skills up to CEFR level **B1**. Students in the Intermediate Course have typically a variety of backgrounds and teaching will therefore be as individualised as possible.

Electives in the afternoon

Electives focus on exercises in the society: You will improve your Icelandic by exercises in a super-market as well as in the bakeries and the backstreets of Ísafjörður.

Electives are to be booked via the the virtual classroom MySchool on www.UW.is before or during the course. There is a maximum number of places for each elective, according to didactical reasons. The electives consist of pronunciation and conversation exercises for small groups, language games, problem-based learning, but here you will also find lectures in easy Icelandic (you will be surprised how much you already understand!).

Choir

You can't sing? That's no problem. This choir won't teach you singing but pronouncing. So, forget about the singing and forget about the language, simply imitate your professional choral director.

IceBreaker

We start the course with an IceBreaker during the first evening, Monday, 01.08.2016, 20:00, where we introduce you to the programme and you learn to know each other. There will be light refreshments available.

Watch a film with your teacher

Your instructor briefly introduces the film in simple Icelandic and goes through key vocabulary. Films will be in Icelandic with English subtitles. After the film there is time for discussion.

IceCream

In the end of the course you have well-deserved that we make a bow for you. You will receive your certificates – and perhaps an ice cream.

ActAlone theatre festival in Suðureyri

Annually in August, there is the ActAlone theatre festival in Suðureyri (25 km from Ísafjörður) with exclusively one-man's plays. Find more information on www.actalone.net. There will be a bus-shuttle organised by actalone between Suðureyri and Ísafjörður.
