

Kæru þátttakendur í *Crash Course A1*

Now there are only a few days until the course begins and we at the University Centre of the Westfjords are looking forward to meeting you all.

I'm writing this letter to inform you about few things regarding the course.

Schedule

Attached to this mail is the schedule for your three week course. Please note that there may be some minor changes to it.

Then just a few things to remember:

- We have arranged for a **shuttle bus** from Ísafjörður to Núpur on Sunday evening, August 14, which is included in the course fee. The transportation will be in connection with the evening flight which lands in Ísafjörður at 19:55. The bus will leave the University Centre at 19:30 to pick up those of you that have arrived in Ísafjörður earlier. The bus will then head for Ísafjörður airport and then depart to Núpur directly. Please note that this is the only organized transport on offer from Ísafjörður to Núpur. If you plan on arriving in Ísafjörður after this scheduled transportation you will need to arrange for transport to Núpur yourself.
- **Ice Breaker** at Núpur on Sunday evening August 14 upon arrival at Núpur.
- The teaching **begins** on Monday morning, August 17, at 9:00 at Núpur.
- The **instructors name** for the course is Ólöf Bergmannsdóttir
- The **teaching material** will be provided at the Ice Breaker.
- We expect you to bring your own **basic dictionary**. Basic dictionaries are also available in the local bookstore in Ísafjörður. You can also use online dictionaries during class, but please note that the Wi-Fi Internet connection at Núpur is basic.
- We expect that you bring your own **computer, I-pad** or similar device. This is not obligatory but can be useful.
- If you come by flight to Ísafjörður before Sunday evening August 14 you can take the **Flybus** from the airport directly to your final destination in Ísafjörður town for a fee of 1.000 ISK. Note that only cash is accepted for the bus. The bus is at the airport for every flight.

Facebook group

We have already set up a group for students attending courses at Ísfjörður on Facebook. If you have not received information about this you can follow this link and request to join:

<https://www.facebook.com/groups/Isafjordur2016/>

The Facebook group can be a good venue to chat about practical matters but it can, and should, of course also serve as a venue for simply getting acquainted with your fellow students before you arrive in the Westfjords!

If you are not a Facebook user or do not want to join this group I can assure you that you will not miss out of any announcements from the University Centre.

Hlakka til að hitta þig!

Bestu kveðjur,
