39		
40		
41	CMM07+ Communicating Climate Change/Outlook to the Future	
42	CMM11 Shipping and Off-shore in the Arctic (including Arctic Circle participation)	CMM47 Arctic Ocean Governance (including Arctic Circle participation) / CCRD10 Public Policy (including Arctic Circle participation)
43		
44	CMM31 Oceanography	**CCRD03 Understanding a regional economy**
45		
46		
47	CMM20 Arctic Marine Tourism	CCRD08 From extraction to attraction: Coastal communities in an era of leisure and tourism
48		
49	CMM02 Physical Processes of Coastal and Marine Environments	**CCRD02 Approaches and perspectives from geography**
50		
51	last day of teaching before Christmas: 14.12.2017	
52	Christmasbreak	

week	Coastal and Marine Management		Coastal Communities and Regional Development
2	CMM14 Pollution in the Coastal Arctic	CMM21 Geographical Information Systems (including Community-based mapping)	CCRD04 Wellbeing and development: Concepts and indicators
3			
4			
5	CMM26 Fheries Stock Assessments	CMM18 Fishing Technology	CCRD07 Migration and population development
6			
7			
8	CMM24 Applied Methodology		
9	*Quantitative Methods*		*Qualitative Methods*
10			
11	CMM41 Marine Spatial Planning	CMM19 Environmental impact assessment (EIA+SEA)	CCRD05 Equality and diversity
12			
13	CMM22 Marine Protected Area Management	CMM12 Introduction to Aquaculture	CCRD9 Innovation and entrepreneurship
14			
15	CMM34 Environmental Certification and Eco-labelling schemes	MI02 Innovation in Aquaculture	CCRD12 Community and the Built Environ-ment
16	Easter 21.04.2018		
17	CMM42 Leadership and Management Training	CMM17 Law of the Sea	CCRD06 Education and labour markets
18	CMM09 Conflict Resolution in Ocean Management	CMM16 Adaptation Planning	
19			

week	Coastal and Marine Management	Coastal Communities and Regional Development
19	CMM05 Coastal Communities and Resource Economics and Policy	
20		
21		
22	CMM04 ICZM: Practical Applications and Challennges	CCRD13 Policy appraisal and evaluation?
23		
24	CMM36 Marine Renewable Energy	CCRD11 The global context
25		
26		
27	CMM45 CCRD45 Meistaraverkefni 45 ECTS	

UW.is Draft course Schedule 2018/2019 subject to change

Coastal and Marine Management		Coastal Communities Regional Development
CMM core courses	CMM og CCRD common core courses	CCRD core courses
CMM elective courses	CMM og CCRD common electives	CCRD elective courses
