

SIT Study Abroad

School for International Training

Academic Director

The School for International Training is recruiting an Academic Director for its Iceland study abroad program summer program *Iceland: Renewable Energy, Technology, and Resource Economics* (<http://studyabroad.sit.edu/programs/summer/summer-2018/ice/>).

The program is located in Ísafjörður at the University Centre of the Westfjords.

The Academic Director is responsible for the academic content of the program, student safety, and general management and administration of day-to-day logistics of the program.

The candidate should have an academic background in renewable energy, economics, engineering, environmental science or a related discipline.

To apply, please submit a Curriculum Vitae and cover letter to Said Graiouid at Said.Graiouid@sit.edu by 19.02.2018.
