

The 12th International Symposium for GIS
and Computer Cartography for Coastal Zone
Management

27-29 September 2018

Ísafjörður, Iceland

(http://www.uw.is/coastgis_2018/)

Travel Grants for Canadian Students

Based on the success of CoastGIS 2013 held in Victoria, BC, travel grants worth \$1000 - \$2000 are available to cover partial travel costs for a small number of students attending Canadian institutions to attend and present at CoastGIS 2018 in Ísafjörður, Iceland.

Eligibility

- A student engaged in full-time studies at a recognized Canadian institution
- An accepted abstract at CoastGIS 2018 for which the student is the principal author and will present at CoastGIS 2018

Application Process

1. Application package:
 - Cover letter stating the motivation for applying and foreseen benefit of participating in the CoastGIS conference and relevance of the conference to your studies (less than 200 words);
 - A brief CV including type of degree (PhD, MSc, BSc) being undertaken, title of thesis (if applicable), name of department and university, name of supervisor, intended date of completion of degree, relevant experience, previous awards, scholarships, and recognition (limit 1 page)
 - Abstract of the presentation to be made at CoastGIS 2018; include all authors and their affiliations
 - Letter or email of acceptance of your abstract
 - The estimated cost of a return trip from place of residence to the conference venue (cheapest available economy airfare)
2. Submit application by email to: Rosaline@uvic.ca
3. Upon return from CoastGIS submit travel receipts and expense claim not exceeding the value of the award.
