

Involvement of stakeholders

Ideas on positive and negative aspects of the involvement of stakeholders in CM related issues

CMM students
Lauma, Petra, Etienne, Alex and Manu

Positive aspects of stakeholder involvement

```
graph TD; A[Positive aspects of stakeholder involvement] --> B[Creates a dialogue]; A --> C[Sustainability of decision]; A --> D[Valuable interplay between policy-makers, scientists and the public]; B --> E[Reduces tension]; B --> F[Creates relationships]; D --> G[Possibility to change attitudes and perceptions];
```

Creates a dialogue

Sustainability of decision

Valuable interplay between policy-makers, scientists and the public

Reduces tension

Creates relationships

Possibility to change attitudes and perceptions

Negative aspects
of stakeholder
involvement

```
graph TD; A[Negative aspects of stakeholder involvement] --> B[Costs more money]; A --> C[Slows down the process]; B --> D[Getting people together and informing them]; B --> E[Longer contracts]; C --> F[Creates hurdles (eg. EIAs)];
```

Costs more
money

Slows down the
process

Getting people
together and
informing them

Longer contracts

Creates hurdles
(eg. EIAs)
